STREETS OF PHOENIX SHOULD BE PAVED

One of the Things Harry Jones Not-
iced Yesterday That Was Wrong.

Harry J. Jones arrived from New
York yesterday and will remain in the
city during the winter. Mr. Jones re-
turned from a business trip to Europe
on September 28, and as soon as he
could arrange his affairs in the east
he left for the west. Speaking of the
financial disturbance in the metropo-
lis, Mr. Jones said it was serious
enough, but he did not believe that it
would be severely felt west of Chi-
cago, and he says there is a hope that
it will not be of long duration. But
it is disastrously affecting everything
in the east, and it is sharply felt so
far as the masses are concerned in

THE REPUBLICAN'S PATTERN

TEN CENTS EACH

5797 Princess Gown,
32 to 40 bust.

TO BE MADE IN ROUND OR WALKING LENGTH.

The princess gown always is a
graceful and attractive one and just
now it is high in favor with la mode.
This one is peculiarly desirable and
can be made available for a greater
variety of figures than the more severe
sort while it retains the long charac-
teristic lines at front and back which
give such desirable effect of slender-
ness and height. The model is made
of orchid colored faille silk with trim-
ming of chiffon velvet bands and
chemisette of ecru lace over white,
while the front and back panels are
held by lovely amethyst buttons. But
the season shows an exceptional num-
ber and variety of pretty soft and
pliable fabrics all of which are suit-
able. Voile and marquisette are well
deserved favorites and would be
charming so made. There are many
beautiful silks that are correct and for
the still simpler gown the soft finished
cashmeres and the like are to be com-
mended. Again, as the skirt can be cut
in either round or walking length, the
model becomes desirable for street as
well as indoor wear, where it would be
exceedingly handsome as well as smart
made of chiffon broadcloth and worn
with one of the graceful wraps of
which the season is prolific.

The gown is made with blouse and

skirt portions that are joined by a belt
and with the front and back panels
that are extended to the square neck.
It is closed invisibly at the back and
there is a pretty chemisette while the
square neck is finished with a flat col-
lar. The graceful sleeves are gathered
and finished with shaped cuffs. The
skirt is made in ten gores and is laid
in plaits that are stitched flat over the
hips.

For a woman of medium size will be
required 16 yards of material 21 or 27
inches wide, 8 1-4 yards 44 inches wide,
with 2 1-2 yards of velvet and 3-4
yard of all over lace to make as illus-
trated.

The pattern 5797 is cut in sizes for a
22, 24, 26, 28 and 40 inch bust measure
and will be mailed to any address by
the Fashion Department of this paper
on receipt of ten cents. (If in haste
send an additional two cent stamp for
better postage which insures more
prompt delivery.)

All patterns are mailed from Chic-
ago direct to the buyer's address. Every
order sent The Republican is forward-
ed the same day as received. About
eight days are required to fill an or-
der. Report any delay to The Repub-
lican at Phoenix.

Cut this out and send with ten cents

ing out the blank below:

the industrial paralysis which is being
brought about.

The opinion that it will not greatly
disturb the west is based upon the
magnificent crops everywhere and the
prevailing high prices.

Mr. Jones was moved by the con-
dition in which he found the streets
to offer a suggestion for the better-
ment of Phoenix. He does not believe
that a town can attain a full measure
of prosperity when its streets get into
such a condition as he found on his
arrival. He believes that it would cost
very little to pave them, that is, it
would cost little in comparison with
the material results which would fol-
low.

There is, he pointed out, a limitless
supply of decomposed granite in this
vicinity, and there is no better paving
material if it is rightly applied. It
does little good though, he says, mere-
ly to throw it upon the surface over a
small area, as has been done, but it
should be given a good foundation and
the paved area should be made to ex-
tend throughout the business district
and the income producing district. He
would not favor burdening the resi-
dence neighborhood with the expense
of paving unless a majority of the
residents of a certain district should
desire it. But he believes that the
streets that visitors are likely to see
on first coming to town should be put
into such a shape that the inhabitants
would not be ashamed of them.

THE I. C. T. U.

President Small Says the Milwaukee
Meeting is Irregular.

Milwaukee, Oct. 22.—About fifty de-
legates are attending the special con-
vention of the International Commu-
nical Telegraphers' Union, which began
this afternoon. Former President
Small was absent. He designated the
convention as irregular, but says he
will attend one in June.

Mr. Small says that in calling the
convention the union is putting the
power in the hands of two men, Percy
Thomas and Daniel L. Russell of New
York, who have 2,000 votes.

ONLY NECESSARY TO TREAT THE STOMACH

Claim of Central Figure in Recent Contro- versy is Novel

The new theory advanced by L. T. Cooper relative to the human stom-
ach has attracted such widespread
attention that the public in cities
visited by the young man has been
joined by many physicians in a dis-
cussion of his beliefs and medicines.
Mr. Cooper says that human health
is dependent almost entirely upon
the stomach. He says that no dis-
ease can be conquered without first
alleviating all stomach disorders. He
further says that most men and wom-
en of this generation are half-sick,
owing to degenerate stomachs. And
lastly, he claims that his New Dis-
covery medicine will rejuvenate the
human stomach in 90 days.

Cooper has been traveling from
one city to another, conducting in
each what he calls a campaign of
education. For the past year he has
met the public in the larger cities
of the country, and his success has
been phenomenal. Thousands of peo-
ple have flocked to his headquarters
wherever he has gone, and the sale of
his medicine has been beyond anything
of the kind ever before witnessed.

Possibly the most interesting fea-
ture of the attention this young man
has attracted is what his army of fol-
lowers, whom he has converted to his
beliefs through his medicines, have to
say on the subject. The following
statements are from two well known
residents of Chicago and Boston, re-
spectively, and the enthusiasm of
these is characteristic of Cooper's ad-
mirers generally.

Mrs. H. B. Mack, of 3201 State
street, Chicago, says: "I have been
suffering for 12 years from a combi-
nation of stomach troubles, catarrh
and constipation. I had a gnawing

pain in the pit of my stomach, a sort
of a dull pain that I could not quite
understand. Then there was a dull
headache, and my mind seemed to be
wandering continually. I could not eat,
and what little solid food I did eat I
could not retain on my stomach. I
tried every remedy I could think of,
and also tried out a number of patent
medicines, but without any apparent
result. It was through one of my
friends that I heard of Cooper's prepa-
ration, and I immediately decided to
try some of it. It is two weeks since
I took my first dose of it, and I feel
like a new woman. The headache
seems to have disappeared, and the
pain in my stomach along with it. The
medicine is worth its weight in gold,
and I want to thank Mr. Cooper for
what he has done for me."

Mr. Edwin F. Morse, of 20 Oakley
street, Dorchester, a suburb of Bos-
ton, says: "For three years I had not
a well day. My stomach was in fright-
ful shape; the mere thought of food
would nauseate me, and I really had
a horror of anything to eat. All solid
food would cause me extreme indiges-
tion, bloating and gas on my stomach,
and nothing tasted right. Some time
ago I got some of this Cooper's medi-
cine, about which there is so much
talk. I actually feel as well and strong
as a boy ever since the first bottle.
Every sign of stomach trouble has dis-
appeared, and I have a hearty appe-
tite and eat three square meals; every
thing seems to taste good. Anyone
who knows what chronic indigestion
is can appreciate what this means to
me. I consider this the most remark-
able medicine I ever heard of."

We sell Mr. Cooper's medicines, and
find them to be all he claims. Wake-
lin's Pharmacy.
